ings will be conducted by Rev. Wil-
liam F. Newton, the colporteur of the

CRIMINAL SUPERIOR COURT CASES

**Roscoe C. Swann Turned Over to the Government Au-
thorities—Cases Against Moore and Tomlinson Nolle-
d and Those Against Addie Burns and Viney Malady
Continued.**

There was a short continued ses-
sion of the January term of the crimi-
nal superior court on Monday, Judge
Greene being on the bench, as Judge
Reed had been informed that the Ad-
die Burns hearing would have to go
over. Court was in session about fifteen
minutes and adjourned without date.

State Attorney H. A. Hull brought
the matter of the state vs. Roscoe C.
Swann, the accused in this case being
bound over to the May term of the
superior court on the charge of
willful and felonious assault on the
body of J. H. Crotty in New London
with a knife, with intent to kill and
slay. He is a private in the United
States signal corps and Crotty is a
private also of the signal corps. They
were of a party of men from the United
States cable boat Joseph Henry.
Crotty was not seriously injured and
was out of the hospital in a day. The
state attorney explained that the wit-
nesses in the case are liable to be
called away from this section and it
would be impossible to get them for
the trial in May. The military au-
thorities will punish Swann for the
offense and he asked for a bench war-
rant bringing the accused before the
court. Judge Greene granted the war-
rant and Swann was presented in court
and put to plea. On the direction of
the court he pleaded not guilty and the
bonds were fixed at \$100. The clerk
of the court was ordered to take the
accused's recognizance for that amount.

of Mr. and Mrs. John J. Kelley of

juries about 1 o'clock Monday after-

death. The boy's skull was fractured
by a horse's hoofs. He was taken to
the Memorial hospital, where he re-
ceived proper attention.

Solomon of this city have sent out in-

Kaplan and Morris J. Solomon in

April 3, at 5 o'clock. Mr. and Mrs.

at 35 Fifth street, Greenville, where
Solomon is a successful grain
dealer.

Mr. and Mrs. Michael Slosberg gave
an enjoyable supper at their home on
Avenue A on Monday evening in
honor of his grandson, Morris J. So-
lomon, of this city, and Miss Ida Ka-
plan of Cheshirefield, who are engaged to
be married. Following the supper Miss
Kaplan pleased the gathering of about
thirty relatives and friends with sev-
eral beautifully rendered solos, while
there were pleasing selections by other
members of the company.

TAFTVILLE

"Backer" Larowe's 16th Year Playing
Baseball—Returned from Florida—
Village Mention.

Adolphus Larowe, better known, per-
haps, to the baseball fans of eastern
Connecticut by his well-earned title of
"Backer," is getting in readiness for
his 16th year of ballplaying. He has
pledged his support this season to the
Taftville team, and in the local field
there can be found no better man in
point of knowledge of the fine points
of the game and in generalship than
"Backer," to fill the strenuous posi-
tion behind the bat.

Some time ago, by a heavy lift,
Backer strained his back and last week
he did the trick over again. Other-
wise than this, which will be soon
worked out, he is in fine condition.
He has recovered from the injury to
his thumb received in North Gros-
venordale last season, and promises to
do his part in turning out a team that
the village will be proud of.

In his opinion, the team will not
lack a first class pitching staff this
season. Simino, who made good at
Mooseport last season, is a promising
main, a clever left hander, and Fred
Smith, who put over the slants for the
Wheel club a few years ago, are
Rhode Island players who will be on
hand when baseball weather gets here, and
there is no telling what material can
be found in the many newcomers that
have arrived in Taftville in the last
few months. The rest of the posi-
tions will all be well looked after,
from present indications.

Funeral of Miss Emma Plant.

The funeral of Miss Emma Plant
was held from her late home on South
B street on Monday morning at 8.30
o'clock and at the Sacred Heart church
at 9 o'clock. A reading of the mass was
read by Rev. Arthur O'Keefe, the church
choir participating in the service. The
bearers were Samuel Plant, Joseph
Laurette, Joseph Sevin, Frank and
D. Ferland and Joseph Teller. Burial
was in St. Mary's cemetery in Green-
ville.

Artisans' Society Meets.

The regular meeting of the Artisans'
society was held Sunday afternoon in
St. Louis' hall, with President Martel
in the chair. Regular business only
was transacted. On next Sunday morn-
ing the Artisans' society will attend
Holy Communion with the other
French societies of the parish.

Thumb Cut at Versailles.

M. E. MacIntire, boss weaver at
the Versailles mill, cut a bad nail in
his thumb while at work Monday af-
ternoon about 2.30 o'clock. He at once
cut down to a red nail, and the wound
and the wound was dressed by Dr.
George Thompson.

Returns from South.

Mrs. Charles W. Prentice returned
to her home on Slater avenue on Sat-
urday evening, after several weeks in
the south. It is probable that Mrs.
Prentice will move to her new home
on Washington street in the city this
spring.

Personals.

Fred and William Chartier were
visiting in Willimantic Sunday.

Michael Day is seriously ill with
pneumonia at his home on Hunters
avenue.

Mrs. Lena Besette of Pawtucket, R. I.
has visited the family of Miss
Hermila Morin. Miss Besette came
here from New York, where she has
been visiting.

and Sheriff Brown turned him over to
Sergeant Schroeder of Fort Trumbull,
who took him to that station. Swann
will be given a trial before a general
court at Fort H. G. Wright, so that he
will doubtless receive his punishment,
and the expense of it will not have to
be borne by the county or state. Ot-
twine, and the witness left these
parts, and as the state's attorney
pointed out the evidence against him
not being available he would have got-
ten off free.

Upon the recommendation of the
state attorney, the case against
George Tomlinson of Groton, who was
charged with an indecent assault upon
a Norwich girl named Smith, and at
whose trial the jury disagreed, was
nolle by the court.

The state attorney recommended a
nolle in the case against Edward Moore
of this city, who was arrested in con-
nection with the famous Hill and Bab-
ard cases, and the court granted the
motion.

Regarding the matter of a hearing
in the motion for a new trial in the
case of Addie Burns, a continuance
was granted until the May term of the
superior court, the mother of May
Burns not being able to attend court
at the present time.

The case against Viney Malady, who
is held in connection with the Burns
case, was also continued until the May
term.

This completed the business of the
session and court was adjourned with-
out date.

ART STUDENTS' ASSOCIATION.

Scholarship to Be Given—Miss Abbott
to Give an Address.

The regular March meeting of the
Norwich Art Students' association was
held on Monday evening in the Old
Schoolhouse near Harland's corner.
Frank A. Root, president, presided,
conducted the meeting, and after sev-
eral minor business matters were dis-
posed of it was voted to give a schol-
arship of the day class at the Norwich
Art school for the year 1910-11, the
award to be made at the discretion of
the director. Announcement was made
that in place of the regular April meet-
ing on April 18, a lecture will be given
on Monday evening, March 28, to hear a
lecture on Great Venetian Painters by
Miss Abbott.

The evening's programme was in
charge of Mrs. William B. Birge, the
subject, Venetian Life During the
Renaissance, being presented in an in-
teresting light. Refreshments were
served by the house committee and the
meeting was brought to a close.
